CASE STUDY

PLAYGROUND REFURBISHMENT
LUTON, BEDFORDSHIRE

THE JOB

We were asked to complete a playground revamp project for Ramridge Primary School, Luton, during the summer holidays. This project was split into two sections; the playground and the rear pathway.

Playground:

- We cut down the concrete posts and dug out to the existing sub base (not exceeding 100mm)
- Installed new concrete posts to form walkway with 3no gates
- Installed 2m x 1.2m high picket fence panels and 3no gates
- Applied a tack coat and laid new 30mm AC6 DBM sur 50pen
- Decorated the walls to the main building

Rear Gate & Path

- Grinded off area and applied a tack coat
- Laid new 30mm AC6 DBM and dug out the grassed area
- Installed edging, laid MOT type 1 and consolidate
- Handlaid 60mm AC 14 DBM Binder 125pen

The client was incredibly happy with the finished project. It was completed in 8No working which was well within the time frame. Well done to the team!
